

Junior PSAT : Saturday October 15

A great way to get one more practice in before the ACT/SAT is to take the PSAT on Saturday October 15. This test will give you a full length practice test so that you experience the test format, the questions, and most importantly, identify some areas of strengths and weaknesses.

Colleges DO NOT have access to these scores, but if you score high enough, you may be considered for the **National Merit Scholarship program**. The October PSAT is the only way for Juniors to be eligible for this prestigious scholarship.

Students receive scores back from Collegeboard shortly after Thanksgiving, and are given their test booklets back along with an answer key for use in preparing for the SAT. In addition, they will receive a code to use online through the Khan Academy website to personalize additional online practice for the SAT.

The deadline to register is **September 16**. After that, you'll be put on a waiting list and contacted if a spot opens.
