Hartland High School partners with the University of Michigan-Flint to offer advanced-level multi-course dual enrollment sequences for qualified & motivated students interested in the fields of Medical Science, Engineering, Business/Economics, or Law/Criminal Justice. This initiative is titled the Dual Enrollment Educational Partnership, or DEEP, program. Participating DEEP students enroll in four UM-Flint courses, two each semester. Courses are taught by regular University of Michigan-Flint faculty members. All courses taught under this arrangement are selected from the university's current course catalog and adhere strictly to the University's customary content and student performance expectations.

The University of Michigan-Ann Arbor has formally recognized UM-Flint's DEEP program. Courses completed by DEEP students are transferable to UM-AA pursuant to the same performance and other guidelines governing transfer of any regular UM-Flint coursework to Ann Arbor.
