

Community Life

June 2012

Principal's Corner:

Oh my, I just realized that this will be my last Principal's Corner for Hartland High School. It has been twelve years and an terabyte of memories to cherish for years to come. Before I leave this office I would like to thank every student, parent, HCS staff member, and community member for the opportunity and responsibility given to me to guide young people toward their post high school endeavors. I want you to know that the Hartland community has been influential in helping me to become the person I am today. I have learned much about the nature of reason, respect, and responsibility. It has become second nature to look at things from a larger perspective than just the position of building principal. I wish to thank you for your willingness to use my open door policy for the discussion of concerns and to celebrate the many successes we have had over the years. I want to thank you for taking the time to understand the importance of providing our students with a comprehensive and well rounded public education. As I move to the position of Director of Curriculum and Instruction I will do my best to hold on to the knowledge that a big view is essential in helping the Hartland Consolidated School District to remain a premier school district.

As the school year wraps up please remember to help students clean out their rooms, cars, book bags, etc... and to return all textbooks and school owned supplies. By doing this we will be in a better position to maximize our financial resources in preparation for the 2012-13 school year. Your help is greatly appreciated.

Have a great summer!

Chuck Hughes
