

Welcome students and parent/guardians to Hartland High School! We hope this information sheet helps in getting to know your school and community.

The HHS PAC is a parent volunteer organization. Our goal is to promote the welfare of all Hartland High School students through charitable works and contributions. We assist in enrichment programs, educational services and social activities when school funding is not available. In addition, the HHS PAC helps facilitate communication between students, parents, staff and the community. We are advocates for a better Hartland experience.

Participating in the HHS PAC provides a great opportunity to stay involved with your child's education and make a positive difference.

We hope you will join us at our meetings which are held at 7:45 a.m. on the second Tuesday of the month, in the main office of the high school.

CHARITABLE CONTRIBUTIONS - How can you help?

- Donate on-line during registration using PAYFORIT.com - \$10, \$25, \$50, \$100
- Send in a check with this form payable to HHS PAC. Donate any amount.

Sign up with local businesses for a no cost way to donate.

HHS PAC V1629
(annual online renewal)
