#### MUSIC DEPARTMENT

The Hartland Eagles Marching Band-Wind Ensemble-Varsity Band-Symphony Band-(SSA Choir) Con Espiritu-Varsity Chorus-Eagles Chorus -Concert Choir-Men's Varsity- Beginning Guitar-Jazz Ensemble I -Jazz Ensembles II,III-IV, Combo Beginning Strings-Advanced Strings, Recorder Ensemble Band Director/Guitar: Mr. Michael L. Letovsky Choir Director/Band: Mrs. Kathi L. Letovsky

#### THE HARTLAND EAGLES MARCHING BAND

All members of Wind Ensemble, Varsity Band, and Symphony Band, are members of the marching band. Hartland High School is developing a tradition of growth and excellence within Livingston County and beyond. We pride ourselves with putting on a different and exciting show for every home football game!! We have also taken part in EMU's "Band Day", in 1995,97-2006, and once again this year. Our yearly parades are: The Hartland Santa Parade, Fantasy of Lights Parade (Howell) and The Hartland Memorial Day Parade. We have also performed in Ontario, Montreal, New Jersey, Orlando, New Orleans, New York, Tennessee, and Disney World, 2001, 2005, 2009.

## **Marching Band Camp**

Each Year the band attends camp for six days. This year we are at Adrian College. The cost is \$315 which includes a band T-shirt. Students must have navy blue shorts for the show at the end of band camp. If you do not have any, a pair will be provided to you at an additional cost of \$8.

The rationale for going away to camp is; a twelve plus hour day of instruction with all students present, no distractions from learning. We cover basic marching, music for two complete shows, drill for the first show, and small group instruction. This is where the "band family" takes shape. Our first home game is on **September 1** which does not give us a lot of time to learn our first show and pre-game routines. I student can not miss more than one 12-hour period of camp (speak with Mr. Letovsky) or they lose the eligibility for the Phys. Ed. waiver.

Students not attending camp, or new to Hartland, will play in the "percussion pit" for half-time shows at football games, and will not perform in pre-game. They will play in the stands and for parades on their regular instruments.

#### Registration

Sign up for band. Pay your band camp deposit fee by June 1st (or when Music Boosters select a date).

Remember, there is a **physical education waiver**. The waiver states a student must be in band for six consecutive semesters with a passing grade each semester, and have attended marching band camp for each of those years. You must also perform at the first football game of the school year where we perform the band camp show.

Also, students must still work towards meeting the phys ed. requirements over the three year. Statistics will be kept regarding; sit ups, push ups, sit and reach, mile run, 20 minute run, Pull ups, etc.

## **Auditions**

## Students do not have to audition for marching band they are automatically in.

#### Rehearsals

Some class time in September and October is devoted to marching band. The main practices are after school <u>Wednesday and Fridays from 2:25-4:30.</u> Attendance is mandatory. Exceptions are: if participating in another after school activity, Students may leave rehearsal at 3:30pm (if a bus leaves for a meet earlier that's ok, but Mr. Letovsky must know at least two days in advance.) Any missed rehearsals must be forthcoming within two days. Any missed rehearsals without a note or valid reason will be a one half letter grade reduction on a students marking period grade.

#### Instruments

If students do not have their own, a \$50.00 deposit is to be paid once per year by the end of September and the rental form filled out. Sousaphones, Baritones, tenor saxophones, french horns, baritone saxophone, are available on a limited basis. Percussion students do not pay rental, but are expected to purchase a stick bag and acquire 4 pairs of sticks for their own use. Bass drum mallets are school owned. See percussion page for stick requirements.

If missed without a note half a letter grade (semester) is deducted. Pep assemblies are now a requirement for the band. We play (5 points). If you are at school you must be in the pep band. Participation points are not grades but are for the year-end awards. Points cannot be accumulated from year to year. Awards are on an individual per year basis.

Extra participation points should be accumulated by every student through the year to make sure they meet the yearly requirements

(please see the extra credit section in this handbook).

Please do not wait until the last month of school to realize that you will be short of points due to a missed event earlier in the year. Anyone who hands in a note that they will miss the last concert or Memorial Day (parade and concert in the park) will have their award held until the end of that school year to make sure they have the points for the year.

Students will be notified if they are missing any points in December and April. If you do not hear anything and are concerned, ask your director.

## Hartland High School Responsibility Protocol

Hartland High School has an expectation that students will take responsibility for their own learning. Communicating with teachers is the key to student success. If an issue or question arises pertaining to a particular class, the student should first talk to the teacher in an attempt to resolve it. If the student feels further discussion is needed, he/she should make an appointment with their counselor. It is important for students to follow this protocol. If a parent feels that further discussion is needed, the teacher should be contacted.

# Hartland High School MUSIC DEPARTMENT Grading Policy

40% Concert and Class Performance
20% Individual Practice Records
 Home or After School
20% Theory/eartraining/history
 short quizzes, tests, etc.
10% Playing/Singing tests, Quizzes
10% Cooperation, behavior, effort

100%

The final semester grade is cumulative and equals 80% for the three marking periods, and a final exam at 20%.

Failure to attend a performance will lower a semester grade by 20%, if the reason is not valid. A written note must be given to the music teacher. A grade will be lowered by 20% if a note is not received at least 2 weeks in advance of a performance. The reason has to be valid and approved by the teacher. Please keep in mind, our concerts take a lot of work to present, and are the most visible way to evaluate our musical progress. Remember, NO PERFORMANCE, NO PARTICIPATION POINTS. NO MATTER WHAT THE REASON.

Playing quizzes will be given with very little notice. They may be straight from the band music or exercises. Tests will be assigned at least two weeks in advance. In most cases these will be played in practice rooms at school.

Practice sheets will be due every two weeks on a Friday. Friday for full credit and Monday for ½ credit. After that, no credit. Extra hours may be will be applied to a students grade. It is possible to receive up to 25/20 %. This is applied to grade and not participation points. An absence will back everything up a day. Parents must initial each day practiced, and sign at the bottom.

Theory packets will be given out each semester. They are worth 10% of the 3<sup>rd</sup> marking period grade. Also, ear training quizzes will make up 10%.

## EXTRA CREDIT (EACH SEMESTER)

Extra credit can be used for participation points *or* towards raising your grade (no double dipping; once the points are used they cannot be reused). Extra credit is based on percentage, one point *does not* equal 1%. For example:

15 extra points, divided by 3 equals 5 % added to a semester grade.

For students in choir and band, points must be made up for every event missed (yes that means if you miss band and choir concerts you have to make up 40 pts for band and 40 pts. for choir, or you can designate which group you want your points to go to).

## **Points:**

- playing or singing a solo for the class up to 2 times per semester
- taking private lessons (minimum 10 per semester)
- 10 (one time) performing at district solo/ensemble festival
- 10 receiving a 1<sup>st</sup> division rating (one time)
- attending state solo/ensemble festival (one event)
- 10 receiving a 1<sup>st</sup> division at state (one event)
- auditioning for any honors band or choir (multiple groups)
- making any honors band or choir (multiple groups)
- 3 play or sing at church (up to 2 times per semester)
- attend an approved concert outside of Hartland HS (up to 4 times per semester)
- 6 performing in an adult organized group outside of HHS
- 2 working with a middle school student up to 4 times a semester
- 3 perform in an away football game or extra pep band game
- singing or playing in a musical (no set crew/lights/makeup, etc.)
- 5 parents attending each Music Booster Meeting

## HINTS FOR PARENTS

\*\*\*\*All students names receiving awards will be read on awards night. Students not attending the Memorial Day parade and concert will receive their awards once their extra credit forms are turned in and they have the minimum amount of required points.

## **Solo & Ensemble Festivals**

Your director will have the dates and forms and costs.

Band. **Solo rules**. Students must select a serious solo (not a show tune or movie theme) for their instrument. This must be performed with piano accompaniment (some solos are written without accompaniment, please check). Solos must be a minimum of 2 minutes in length. Students must have the original copy for the judge. Photocopies are not acceptable and a student will be disqualified. You are responsible for your own piano player.

Band. **Ensemble rules.** Students must have an original copy for the judge. All ensembles must be at least 2 minutes in length. Students should try to use standard instrumentation, not to mix brass and woodwind. Finding music may be tough. Also, find students in the same class period, it is easier to practice.

\*Students who do not go to district festival must play for the class. The requirements are the same as district festival.

## Make sure the judge's copy has all measures numbered in pencil.

Choir. **Solo rules.** Students should be taking private lessons to properly prepare for festival. Students need to have two contrasting songs (different languages and/or different styles and speeds). Students must have <u>2 original copies</u> of each piece. One selection must be from one of the required books. See your choir director for the list. You must have your music memorized.

Choir. **Ensemble rules.** No show tunes. Students must have two original copies for the judges. Two contrasting selections are required for festival. There are no required Lists. Check with your director to see of the selections are acceptable. You can use music, or memorize.

Make sure the judge's copy has all measures numbered in pencil.

Advice. Get a piano player early. Get them the music and start rehearsing at least one month before. If you can't get through your piece two weeks before the festival date, you should rethink attending. You need to be prepared.

Solo/ensemble practice is the student's responsibility. The director will try to get some practice time for small ensemble when possible. Solos can be practiced at home or with a private teacher.
