

# **HARTLAND HIGH SCHOOL**

## **BOYS SOCCER**

**FALL 2011**

<http://www.hartlandhighschool.us/teachers/kartsounes/BoysSoccer.htm>

- (3) All JV team members will ride the bus to all away games unless previous written arrangement has been made with your coach and the athletic department. Players may either take the bus home or they will be released to their parents.

## **VARSITY LETTERS:**

A Varsity Letter will be awarded to any player who successfully completes the season and has played in at least two varsity level regular season games.

## **EQUIPMENT NEEDS:**

To help prevent injuries and increase performance all players must wear a soccer shoe designed for outdoor use. All players are required to have shinguards with an NOCSAE stamp or tag that are appropriate for your height. Please see the Boys Soccer website for more information. Both of these pieces of equipment as well as running shoes and drinking water must be brought to all practices and contests.

## **UNIFORMS:**

In order to promote team identity, unity, and attendance at our matches all players will be required to wear either their jerseys or shirt and tie on match days. Failure to comply will result in loss of playing time and/or starting privileges.

It is expected that all uniforms and warm-ups issued will be returned promptly at the conclusion of the season in the same condition as they were issued. Any loss of or damage to uniforms will result in a fine commensurate with the replacement or repair cost.

All players must purchase two pairs of socks for \$20. Checks, separate from the participation fee, should be made out to **Hartland Soccer** and given to your team representative. If the purchase of socks or other equipment presents any problem, please see your coach or the athletic director.

## **MAPS:**

Maps to all games can be found on the Boys Soccer website at <http://www.hartlandhighschool.us/teachers/kartsounes/BoysSoccerMaps.htm>. It is important to check these maps because some schools play at fields that are not located at their high schools.

## FEES:

### JV and Varsity Players

All JV and Varsity soccer players will need to pay an Athletic Participation Fee of \$175. By Athlete Department rules, the Athletic Participation Fee must be paid before the first scheduled game (Tuesday, August 23<sup>rd</sup>). It can be paid at the Parent Meeting mentioned below, turned in to your coach, or paid online through Community Ed.

## NOTES:

1. Online payment can be made through Community Ed by going to the Home Page of the Boys Soccer website at

<http://www.hartlandhighschool.us/teachers/kartsounes/BoysSoccer.htm>

2. All participation fees paid by check or money order must have the ***player's name and sport*** written in the memo area.
3. Checks should be made payable to **Hartland High School**.
4. Partial or full scholarships may be available to students with financial hardships. Families with this concern or those who may need a payment plan should fill out the **Scholarship Request Form** that can be found on the Boys Soccer website at

<http://www.hartlandhighschool.us/teachers/kartsounes/Forms.htm>

All information received will be kept confidential.

**Payment of the Athletic Participation Fee does not guarantee playing time for the athlete. It does make the athlete a member of the team.**

Additionally, team socks this year will be \$20 total for both pairs. Payment by cash or check separate from the Athletic Participation Fee and made payable to **Hartland Soccer** should be made to your team representative as soon as possible.
