

Hartland High School ~ Class of 2027

Important Information for Incoming Freshman

ENROLLMENT

Parents of students who plan to attend Hartland High School for the 2023-2024 school year that are not currently enrolled in Hartland Consolidated Schools need to go to the HCS District website to complete the online enrollment packet and, if applicable, the online School of Choice application.

1. Go to www.hartlandschools.us
2. Select Parents & Students
3. Select Enrollment
4. Complete the New Student Pre-Enrollment Form
5. If applicable - Complete the School of Choice Application

We have made a series of videos for our incoming freshman students and families. One of those videos is specifically geared toward new families and provides further instruction regarding enrollment, as well as the contact information needed to make an appointment with the students' respective high school counselors. Families **must bring** an official birth certificate (with the raised seal), proof of residency or school or choice approval letter/email, immunization record, and the student's most recent 8th-grade report card or transcript. Students will not be able to register for ninth-grade classes until they have met with their counselor. It is encouraged that families meet with their Hartland High School counselor between **March 3rd - March 23rd** for optimal class availability.

INCOMING FRESHMAN PARENT NIGHT PROGRAM 2023-2024 (IN-PERSON AND VIRTUAL OPTIONS):

All scheduling information (informational videos and necessary documents) have been posted on the HHS website for easy access. In addition, we will host an Incoming Parent Night program on Wednesday, February 8th at 6:45 PM in the HHS Auditorium. The information presented via in-person or online videos is identical. Parents may decide which format they prefer to use.

- **Option 1:** Online Recordings of the entire Freshman Parent Night program, presentations, and building tour will be posted on the Incoming 9th Grade Scheduling webpage on Wednesday, February 8th.
- **Option 2:** In-person at 6:45 PM on February 8th, HHS Auditorium. Building tours run before the presentation and start at 6:15 PM. Please register to attend: [Here](#)

HONORS ENGLISH 9

Students interested in taking Honors English 9 should have their current English teacher sign off on English class placement.

ADVANCED GEOMETRY

To be considered for Advanced Geometry, a student must have earned an average grade of an A-/B+ in Algebra 1 and must have their current math teacher sign their course selection form.

FRESHMEN ORIENTATION & Registration (LINK)

LINK is a half-day event that will take place in August. Next year's LINK date is tentatively scheduled to be held on August 7, 2023 from 7:45 AM to approximately 1:00 PM. Students will interact with upperclassmen leaders in large & small groups through a curriculum designed to help them prepare for high school. They will also receive their class schedules, locker information, get their school picture taken, turn in registration paperwork, & tour the school at this time.
