- ___ AP European History**
- ___ AP Psychology
- ___ AP Comparative Government & Politics**
- ___ AP United States Government & Politics
- ___ AP United States History**

***NOTE:** Classes marked with ** have **mandatory** summer reading and/or assignments.

Advanced Placement Course Agreement (Please initial that you read each statement)

Student Initials	Parent Initials	
		I understand by signing up for the AP course(s) listed above I am making the commitment to complete this/these course(s).
		I understand that I have only until <u>the last day of school</u> to request to drop an AP course for the upcoming school year.
		I understand that I will <u>NOT</u> be allowed to drop an AP course due to not completing the summer reading/assignments, though my grade may be affected.
		I understand that if I have an <u>extenuating circumstance</u> that would require me to drop an AP course, I can request to drop. However, I may be required to stay in the class until the end of the 1 st marking period* or semester.
		*NOTE: I understand a change will ONLY be made if the request to drop due to an extenuating circumstance is approved and if there is space available in the course I am requesting to change into. I also understand that my 1 st marking period grade in the AP class may be averaged in with my 2 nd marking period grade and final exam grade to determine my overall semester grade for the class I changed into.
		I understand that if I choose to take the AP exam in May, the cost is approximately \$105 per test. (Student's may be eligible for a fee reduction if they qualify per eligibility criteria - i.e. free/reduced lunch)
		I understand that if I miss the deadline to pay for an AP exam, a late fee of approximately \$40 will be applied to each exam paid past the deadline.

I have read and understand the above Advanced Placement Course Student/Parent Agreement.
