EARN COLLEGE CREDIT, GET COLLEGE EXPERIENCE.

LIVINGSTON COUNTY & UM-FLINT: PARTNERS IN YOUR SUCCESS

Livingston County is collaborating with UM-Flint to offer high school students expanded dual enrollment opportunities. The DEEP initiative allows motivated students to earn college credit by taking accredited courses taught by UM-Flint faculty at the Hartland Educational Service Center (HESSC) and Hartland High School.

UNIVERSITY CREDIT

Students who participate in this program will be dual-enrolled in their home high school and UM-Flint. Credits earned will be recorded on official UM-Flint transcripts as regular UM-Flint courses. These credits are applicable to four-year degree programs at UM-Flint and potentially to other institutions.

QUALIFICATIONS

Junior and Senior students from Livingston County high schools will be eligible to enroll in the DEEP program. A selection process and criteria have been developed by the school district in cooperation with UM-Flint, which include:

- An overall grade point average of 3.0+
- The ability and motivation to undertake successfully the rigor of college level coursework
- A record of excellent attendance in high school courses
- Exceptions to these qualifications may be considered by the appropriate UM-Flint faculty upon recommendation by the high school principal or counselor.
