(TEACHER RECEIVING APPLICATION FILLS-IN)

AP Calculus AB Application

THIS APPLICATION IS DUE THURSDAY, JANUARY 28. RETURN to Mrs. Walker in room 309 or Mrs. Kent in room 210. Please fill out the following information if you intend to register for AP Calculus AB next year. Make sure to have all relevant signatures and information included on this application form.

There may be a “cut” for this class depending on the number of students that apply and the availability of the class. This “cut” will be determined by your previous grades in math **and your WORK ETHIC in and out of class** as well.

This is only the first step in applying for AP Calculus AB. Receipt of this form does not guarantee that you will automatically be placed into this class.

****There will be a summer homework requirement for the course that will be your responsibility to complete before the first day of school of the 2021-22 school year. This will be available for pick-up from Mrs. Kent or Mrs. Walker by May 25, 2021.***

Previous and Current Math Courses	Instructor	1 st Semester Grade	2 nd Semester Grade

What do you believe is the advantage for you to take AP Calculus AB rather than Calculus?
