#### **COVID-19 Statement**

As a result of the statewide school closure in March 2020 due to Covid-19, all Hartland High School students' grades were converted to Pass/Fail as a means to ensure equitable opportunities for all students. Regardless of whether credit was earned (PCV) or not (FCV), student GPAs were not impacted. GPAs for the Class of 2021 will not include second semester of eleventh grade. Students who were not passing as of March 12, 2020 were given the opportunity to complete work and earn the PCV credit. Those who were passing as of the closure date automatically received PCV credit and were encouraged to continue participating in the academic enrichment opportunities provided by their teachers for the remainder of the semester.
