Dual-Enrollment Arrangement with the University of Michigan-Flint

Hartland High School partners with the University of Michigan-Flint to offer advanced-level multi-course dual enrollment sequences for qualified & motivated students interested in the fields of Medical Science, Business/Economics, or General Studies. This initiative is titled the Dual Enrollment Educational Partnership, or DEEP, program. Participating DEEP students enroll in four UM-Flint courses, two each semester. Courses are taught by regular University of Michigan-Flint faculty members. All courses taught under this arrangement are selected from the university's current course catalog and adhere strictly to the University's customary content and student performance expectations.

The University of Michigan-Ann Arbor has formally recognized UM-Flint's DEEP program. Courses completed by DEEP students are transferable to UM-AA pursuant to the same performance and other guidelines governing transfer of any regular UM-Flint coursework to Ann Arbor. (Most UM-Flint courses transfer to UM-AA.) DEEP program completers are issued official UM-Flint transcripts. These courses also appear on the Hartland High School transcript and are noted as UM-Flint DEEP and Name of Program.

COVID-19 Statement

As a result of the statewide school closure in March 2020 due to Covid-19, all Hartland High School students' grades were converted to Pass/Fail as a means to ensure equitable opportunities for all students. Regardless of whether credit was earned (PCV) or not (FCV), student GPAs were not impacted. GPAs for the Class of 2022 will not include second semester of tenth grade. Students who were not passing as of March 12, 2020 were given the opportunity to complete work and earn the PCV credit. Those who were passing as of the closure date automatically received PCV credit and were encouraged to continue participating in the academic enrichment opportunities provided by their teachers for the remainder of the semester.
